Hi Katie,

It was a pleasure talking to you this morning! Again, my sincere apologies for the mistake “directions” should be “separations”. This was truly a lesson to slow down, especially on the most hectic of times! Attached is the chart providing numbers by FY with hires (individuals brought on that year), separations (anyone who left in any manner), and then total onboard (number of employees at the end of the year).

Thank you again and please let me know if you have any other questions or if I can do anything else for you!

Danielle
